GREEN GAGE PLUM

We have received a small lot of Green Gage Plums, which were very delicious raised. by F A Butman, Esq of Dixmont He informs us that they are a sure crop and can be easily raised, in great perfection in any part of this county. There are several farmers in this county who have shown their enterprise and their care for the comfort of their families, as well as a proper regard for their own profit by bestowing a little attention upon the cultivation of this and other kinds of garden fruits and it is to be regretted that farmers generally do not follow the worthy example of these men
